Audit Report - District Financials for FY ending 6/30/21

Ms. Kayla Horton with Horton, McNulty and Saeturn, LLP, presented her review of the District's Financial Statements for Fiscal Year Ending June 30, 2021. The Independent Auditor's Report contains the opinions of the accounting firm regarding their review of the District's financial position as of June 30, 2021 and the results of its operations and changes in net assets and cash flow for the year. The review was conducted in conformity with the accounting principles and systems prescribed by the State Controller's Office and State regulations governing Special Districts.

Volunteer Needed to Represent the District

The Centerville Education Foundation Committee is looking for a volunteer to represent the District. If you are interested, please contact the District Office for more information.

Annual Report of Discontinuations of Residential Service

Per Senate Bill 998 the Water Shut-off Protection Act, the District is to post an annual report of residential service discontinuations for non-payment. This year the District did not have any shut-offs.

Tank A Coating Project

The Zone A water tank was completely refurbished. New exterior and interior coatings were done to assure that our water tank will last and was done in compliance with state water regulations. The project also included new operator safety improvements.

Quotable Quotes....

"A customer is the most important visitor on our premises. He is not dependent on us. We are dependent on him. He is not an interruption in our work. He is the purpose of it. He is not an outsider in our business. He is part of it. We are not doing him a favor by serving him. He is doing us a favor by giving us an opportunity to do so." ~ Mahatma Gandhi

Help Us Help You....

If you have a concern, complaint or request, please contact the District Office. All of us here at Centerville CSD appreciate our customers and we make it our personal goal to ensure that all of your questions and concerns are taken care of to your satisfaction. Regardless of how large or small the request, always call the District Office first. We do not actively check social media to see if there is an issue in the District. If it is a possible leak on your property, low or high water pressure, a water quality issue, a high water bill or simply wanting some information regarding Board decisions, we are here to help you. Please give us a call and let us serve you. Together we are Centerville.
