Board of Directors - Annual Reorganization

The Board of Directors voted in a new slate of officers for the 2024 calendar year. Starting January 1, 2024, Vice President Walt Richison will serve as President of the Board and Director Larry Hopson will serve as the Vice President.

The Board of Directors unanimously re-appointed Mrs. Lori Mathiesen to represent Centerville CSD on the Centerville Education Foundation Committee. We thank Mrs. Mathiesen for her service to the District.

President Richison will announce the 2024 Standing Committees at the January 2024 Board Meeting.

Thank You Lawrence D. Whitehead

The Centerville Community Services District is very fortunate to have community members who dedicate their time and expertise to the District.

President Whitehead has served for 40+ years and continues to serve on the Centerville CSD Board of Directors. He was instrumental in the District securing 900 acre-feet of pre-1914 water rights which has proven helpful during drought years. He also sat on both the Finance and Resource and Planning Committees, helping build adequate reserves and ensuring the District has the funds to keep facilities updated.

Thank you Lawrence for your dedication to the District!

Need Help With Your Water Bill?

The Low Income Household Water Assistance Program (LIHWAP) provides financial assistance to low-income Californians to help manage their residential water utility costs. This is a first come, first serve program. Once the funds are gone, they are gone. So please visit the website and submit the application if you are eligible. For more information about how LIHWAP can help you pay down your past due water bill and how to apply please call:
