Board of Directors - Annual Reorganization

The Board of Directors voted in a new slate of officers for the 2025 calendar year. Starting January 1, 2025, Vice President Larry Hopson will serve as President of the Board and Director Mark Oliver will serve as the Vice President.

The Board of Directors unanimously re-appointed Mrs. Lori Mathiesen to represent Centerville CSD on the Centerville Education Foundation Committee. We thank Mrs. Mathiesen for her service to the District.

President Hopson will announce the 2025 Standing Committees at the January 2025 Board Meeting.

Thank you Director Richison for 33 Years of Service

The Centerville Community Services District is very fortunate to have community members who dedicate their time and expertise to the District.

Many of you know Mr. Walt Richison from the Centerville Feed Store which he had for many years; however, you may not have known that he has been a Director on the Centerville CSD Board for the last 33 years.

Director Richison was instrumental in the District securing 900 acre-feet of pre-1914 water rights which has proven helpful during drought years. He also sat on the Personnel Committee, Resource and Planning Committee and the Ordinance Committee, while helping build adequate reserves and ensuring the District had the funds to keep facilities updated. Director Richison cares about the quality of the water, the infrastructure, fire protection, and the people that the District serves.

**Thank you Walt for Your Dedication
to the Community and the District!**
