Drought Surcharge

Consumption Change Effective October 1st

To recover the costs related to purchasing additional water supplies, the District implemented the Drought Surcharge.

The District is currently in Stage I of the District's Drought Contingency Plan and requesting voluntary conservation.

This surcharge is assessed as follows:

October - April 2023: 1,300 cubic-feet and above

May - June 2023: 3,300 cubic-feet and above

Please continue your conservation efforts.

The Meeting Room Conversion Project is Underway!

In June, bids were solicited for the Meeting Room Conversion Project. Bids were opened on June 24th and the project was awarded to One Way Development & Construction Co., Inc.

This project converts the attached garage into a usable Meeting/Conference room. We are very excited for this new addition to our facility. Please stop in to see the new space.

Veterans

Thank You for Your Service!

We are honored to introduce two of our Board Members who served in the Armed Forces:

Larry Whitehead was drafted in 1953 and served as a Sargeant in the US Army's 77 Field Artillery Group for two years then was in the reserves for six more years. Above is a picture of the 155 mm Howitzer he used to man.

Walt Richison served in the US Navy on the USS Robert L. Wilson dd847 Destroyer from 1959 to 1962.

The District Offers Automatic Bank Draft (ACH Auto-Pay Payments)

This is the worry-free way to pay your water bill. With this service, you will continue to receive a monthly water bill (whether mailed or a paperless "E-Bill"); however, the amount due will be automatically deducted from your bank account. There is no set-up fee or charge associated with this payment method. There are two ways to set up an Automatic Bank Draft, simply complete and drop off the ACH Auto-Pay Application form located on our webpage to the District Office or sign up using your on-line account. No more late fees or missed payments.

It is time for our annual Coat Drive. Please join us in helping others stay warm this winter. We will be accepting new/used, child/adult coats, mittens, scarves and beanies.

Donations can be dropped off at the District office **Monday through Friday from 8 am to noon and 1 pm to 5 pm** from November 1st thru December 31st. All items will be delivered to the Good News Rescue Mission.
